

Attorney Docket No.: FMCE-P096

Remarks

Reconsideration of the above-identified application is respectfully requested.

The Examiner has objected to claims 1-67 because line 3 of claim 1 should read "casing hanger which is connected" instead of "casing hanger which connected," and the acronyms in the claims should be replaced with their full terms. The claims have accordingly been amended to correct these informalities.

The Examiner has stated that claims 1-67 would be allowable if they are amended to overcome the claim objections set forth above. These claims have been so amended. According, applicant submits that claims 1-67 are now allowable.

In light of the foregoing, claims 1-67 are submitted as allowable.

Favorable action is solicited.

Respectfully submitted,

Henry C. Query, Jr.
